_____ I am making an additional contribution of \$_____ to help with special considerations.

_____ Please call me to provide further information. I am not sure if my student will be going to Walker Creek Camp. **Please note: While we want all students to go to camp, we respect parents' personal choices about sending their children on the trip. If your child is not going to Walker Creek Ranch, he/she is still required to come to school for Campus Camp. We will have a teacher here at school to work specifically with the sixth grade students who are not going to camp on each of the days that the rest of the class is gone. It is important that students not going on the trip maintain normal attendance at school in order not to be in violation of the state's compulsory attendance laws. Lack of funding to donate toward the cost of the trip should NOT be the cause of the non-participation.**

The undersigned, in consideration of participation in this program, agrees to indemnify, defend, and hold harmless the Bennett Valley Union School District (BVUSD) and its officers, employees, and agents from all causes of action, liability, costs, and expenses whether accrued or paid, arising directly or indirectly from or relating to the activities under this agreement except for any and all intentional conduct or sole negligence of BVUSD and its officers, employees, or agents. This obligation shall continue beyond the term of this Agreement as to any act or omission which occurred during or under this Agreement.
