

Welcome!

Located on the Yulupa Elementary School campus, 4Cs Bennett Valley Child Development Center offers an engaging preschool with schedules to meet your needs.

Children will participate in:

- A school garden where sunflowers and vegetables abound.
- Activities that develop engaging hands on learning that promotes Kindergarten readiness skills.
- A dual language classroom where both English and Spanish are used to enrich the environment.

Parents will appreciate:

- Partnerships with teaching staff and volunteer opportunities.
- Child assessment tools, individual portfolios and teacher conferences held twice a year.
- Teachers with California Child Development Permits.
- 100% adult supervision of children. There is one adult on site for every eight children enrolled.

You are warmly invited to take a personal tour of our preschool. The teaching staff look forward to meeting you and your child!

The mission of the Community Child Care Council is to inspire our community to support the well-being of every child and to improve the quality and availability of child care in Sonoma County.

Developmentally Appropriate Preschool in a Safe and Caring Learning Environment

Active Classroom

4Cs Bennett Valley Child Development Center has a play-based constructivist approach to early childhood education. Curriculum is designed to spark children's interests and curiosity, promoting in-depth exploration and learning. Teachers prepare and guide children's engagement in the school environment. Language and literacy, art, music, dramatic play, science, and math are integrated throughout the day. Children also learn essential social skills like communication, collaboration and critical thinking. 4Cs preschools provide hands-on, process-oriented activities inviting children's wonder and curiosity both indoors and out.
